

**ReForest Now**  
Growing Rainforest Together

# SUMMARY REPORT

2020-2024

- 74, 521 trees planted for \$375, 330 donated -

By  
*Leonie Zauzig*  
*Maximo Bottaro*

GO-TO

# THANK YOU GO-TO-SKINCARE!

The Northern Rivers of NSW, is home to one of the most significant ecosystems of Australia, the former **Big Scrub Rainforest**.

Once the largest continuing tract of rainforest in Australia, there are now less than **1% of it remaining** in small, detached remnants.

The remaining Lowland Subtropical Rainforest is recognized and protected as a critically endangered ecological community under federal legislation (EPBC Act, 1995).

19/10/23	\$15,000	2,727	Eden Creek
29,02/24	\$15,000	2,727	Eden Creek, Boat Harbour

# DONATION IMPACT

**233  
NATIVE  
SPECIES**

In 4.5 years of support, your donations have had a powerful impact on the conservation of our critically endangered rainforest.

**122 TREATENED  
SPECIES \***

**18,6 HA  
RAINFOREST  
RESTORED\***

**13,972T  
CO<sub>2</sub>**

\*approximate amount of threatened fauna and flora supported in immediate project areas.

\*equivalent to 26 Australian Soccer fields

# PLANTING SNAPSHOT 2020

In your first year of support, you planted a total of

The majority of these trees were planted in Coorabell across two locations, with the majority of trees being planted at **375 Coorabell Rd.**

## Planting Overview 2020

The numbers under each road title represent the number of trees planted.

**375 COORABELL RD NOW**

**DREAM - BELIEVE - DO**

# PLANTING SNAPSHOT 2021

In your second year of support, you donated a record total of

**\$206,133**

**30,344**

Your trees were planted

- on **19 different occasions**
- in **13 locations** across northern NSW

## Top Five Plantings in 2021

The graph shows your **top five planting locations** across northern NSW and the **amount of trees** we have planted there on your behalf. This is an overview of **20,857 (69%)** out of the total **30,344 trees** planted in 2021.

# MONGO VALLEY WILDLIFE SANCTUARY

# AUSSIE ARK

leonardodicaprio • Follow

leonardodicaprio From @aussieark: Aussie Ark, alongside our partners @rewild, @wild.ark and the @australianreptilepark and with the help of @reforestnow\_australia have planted 26,000 rainforest and Eucalyptus trees onsite at Mongo Valley Wildlife Sanctuary.

The team spent 3 days onsite at the newly purchased site in the Richmond Valley region planting the trees and regenerating an additional 5 hectares

544,214 views  
January 6, 2022

A snapshot of the site you contributed most trees to in 2021.

- The Aussie Ark plantings were featured on Leonardo di Caprio's instagram with over 540, 000 views
- A considered proportion of the site was planted for Go-To-Skincare
- The planting is part of a 1, 500 hectare nature sanctuary
- Endangered animals being released into regenerated areas

# PLANTING SNAPSHOT 2022

The majority of your donation (60%) was dedicated to our largest project to date, **Banyula**.

The remaining 40% were planted across four different locations in Murwillumbah, Brooklet, McLeods Shoot, and Coorabell.

In total, you donated:

\$64,197

12,893

**Banyula, 113 Stewarts Rd**

## **BANYULA**

Banyula is the site of our largest rainforest regeneration project to date.

We have planted more than **300, 000** trees of **192 species** on this massive site.

Banyula is adjacent to the Booyung Nature Reserve, which is home to **150 species of flora** and **205 species of fauna**.

## **YOUR CONTRIBUTION**

A total of **15, 161 trees\*** were planted on your behalf on **14 planting days** at this location.

Out of the total amount of trees you planted in 2022, almost 60% were planted at Banyula.

This is a significant contribution to this major project.

\*One planting of 1, 599 was planted in June 2023.

## **PROTECTION**

The trees planted at Banyula are protected by a **100-year permanence period under the Australian Carbon Credit Unit Scheme (ACCU)**.

Although the trees planted on your behalf do not add credits for the landholder, they increase the biodiversity of this planting site and receive protection under the ACCU scheme that is applied to the entire site.

# BANYULA GALLERY

# PLANTING SNAPSHOT 2023

In 2023, we planted on six occasions for you. One of these was a **1, 599 trees Banyula** planting, as mentioned on the previous page. In total, you donated:

**\$ 40, 000**

 **7, 727**

We planted on six occasions for you in 2023. The majority of your trees were planted at 119 Watsons Lane in Newrybar across two planting days (**2, 403 trees**). The second largest planting was the Banyula planting.

# 119 WATONS LANE

A snapshot of the site you contributed most trees to in 2023.

# PLANTING SNAPSHOT 2024

In 2024, we have planted **5, 454 trees** across seven planting days. Half of these trees were donated in October of the previous year.

## Donation Overview

October '23	February '24
\$15, 000	\$15, 000
2, 727	2, 727
planted April '24	planted May '24

We planted on six occasions for you at 767 Afterlee Road in Eden Creek, NSW (**4, 700 trees** total).

The remaining **754 trees** were planted in Boat Harbour, NSW.

# 767 AFTERLEE RD

# THANK YOU, GO-TO-SKINCARE

Your generous support has an impact both on the biodiversity and health of this area, as well as our organization.

We have a strong commitment to the survival of our trees. We maintain the young trees for three years until they are strong enough to survive on their own.

We can see how powerful your impact your donation is making through sites like 357 Coorabell Road.

We could not be more grateful for your long-standing support.

We highly recommend a site visit and video together! If you have any further queries please contact me on

# SPECIES LIST

## BANYULA

As an example of our species diversity, we have attached the Banyula species list, which includes **192 species out of 233** grown in our nursery. This list includes eight threatened species (**V**= Vulnerable; **E**= Endangered; **PE**= Presumed Extinct).

<i>Abrophyllum ornans</i>	Native Hydrangea	<i>Alphitonia excelsa</i>	Red Ash	<i>Backhousia myrtifolia</i>	Cinnamon Myrtle
<i>Acacia disparrima ssp. disparrima</i>	Brush Ironbark Wattle	<i>Alphitonia petriei</i>	Pink Ash	<i>Baloghia inophylla</i>	Brush Bloodwood
<i>Acacia floribunda</i>	White Sally	<i>Alpinia caerulea</i>	Native Ginger	<i>Banksia integrifolia</i>	Coastal Banksia
<i>Acacia maidenii</i>	Maiden's Wattle	<i>Aphananthe philippinensis</i>	Rough-leaved Elm	<i>Beilschmiedia obtusifolia</i>	Blush Walnut
<i>Acacia melanoxylon</i>	Blackwood	<i>Araucaria cunninghamii</i>	Hoop Pine	<i>Brachychiton acerifolius</i>	Illawarra Flame Tree
<i>Acacia suaveolens</i>	Sweet Wattle	<i>Archidendron grandiflorum</i>	Pink Laceflower	<i>Brachychiton discolor</i>	Lacebark Tree
<i>Acmena hemilampra</i>	Blush Satinash	<i>Archidendron hendersonii</i>	White Laceflower	<i>Breynia oblongifolia</i>	Breynia
<i>Acronychia laevis</i>	Glossy Acronychia	<i>Archirhodomertus beckleri</i>	Rose Myrtle	<i>Caldcluvia Paniculosa</i>	Rose Leaf Marara
<i>Acronychia oblongifolia</i>	White Aspen	<i>Archontophoenix cunninghamiana</i>	Bangalow Palm	<i>Callicarpa pedunculata</i>	Velvet Leaf
<i>Acronychia pubescens</i>	Hairy Acronychia	<i>Argyrodendron actinophyllum</i>	Black Booyong	<i>Callicoma serratifolia</i>	Black Wattle
<i>Alchornea ilicifolia</i>	Native Holly	<i>Argyrodendron trifoliolatum</i>	White Booyong	<i>Castanospermum australe</i>	Black Bean
<i>Allocasuarina littoralis</i>	Black Oak	<i>Arytera distylis</i>	Twin-leaved Coogera	<i>Castanospora alphandii</i>	Brown Tamarind
<i>Allocasuarina torulosa</i>	Forest Oak	<i>Atractocarpus chartaceus</i>	Narrow-leaved Gardenia	<i>Casuarina glauca</i>	Swamp Oak
<i>Alocasia brisbanensis</i>	Cunjevoi	<i>Auranticarpa rhombifolia</i>	Hollywood	<i>Clerodendron floribundum</i>	Smooth Clerodendron

# SPECIES LIST

## BANYULA CONT.

<i>Commersonia bartramia</i>	Brown Kurrajong	<i>Dianella caerulea</i>	Blue Flax Lily	<i>Elaeocarpus reticulatus</i>	Blueberry Ash
<i>Cordyline petiolaris</i>	Broad-leaved Palm Lily	<i>Dianella longifolia</i>	Blueberry Lily	<i>Elattostachys nervosa</i>	Green Tamarind
<i>Cordyline rubra</i>	Palm-Lily	<i>Dinosperma erythrococcum</i>	Tingletongue	<i>Endiandra floydii</i>	Crystal Creek Walnut
<i>Cordyline stricta</i>	Narrow-leaved Palm Lily	<i>Diospyros australis</i>	Black Plum	<i>Endiandra globosa</i>	Black Walnut
<i>Crinum pedunculatum</i>	Beach Lily	<i>Diospyros pentamera</i>	Myrtle Ebony	<i>Endiandra pubens</i>	Hairy Walnut
<i>Cryptocarya glaucescens</i>	Jackwood	<i>Diploglottis australis</i>	Native Tamarind	<i>Eucalyptus grandis</i>	Flooded Gum
<i>Cryptocarya laevigata</i>	Glossy Laurel	<i>Diploglottis campbellii</i>	E Small-leaved Tamarind	<i>Eucalyptus microcorys</i>	Tallowwood
<i>Cryptocarya microneura</i>	Murrogun	<i>Duboisia myoporoides</i>	Corkwood	<i>Eupomatia laurina</i>	Bolwarra
<i>Cryptocarya obovata</i>	Pepperberry	<i>Dysoxylum fraserianum</i>	Rosewood	<i>Ficus coronata</i>	Creek Sandpaper Fig
<i>Cryptocarya rigida</i>	Forest Maple	<i>Dysoxylum mollissimum</i>	Red Bean	<i>Ficus fraseri</i>	Sandpaper Fig
<i>Cryptocarya triplinervis</i>	Three Veined Laurel	<i>Dysoxylum rufum</i>	Hairy Rosewood	<i>Ficus macrophylla</i>	Moreton Bay Fig
<i>Cryptocarya triplinervis var. pubens</i>	Hairy Three-veined laurel	<i>Ehretia acuminata var. acuminata</i>	Koda	<i>Ficus obliqua</i>	Small-leaved Fig
<i>Cupaniopsis anacardioides</i>	Tuckeroo	<i>Elaeocarpus eumundi</i>	Eumundi Quandong	<i>Ficus rubiginosa</i>	Rusty Fig
<i>Cupaniopsis parvifolia</i>	Small-leaved Tuckeroo	<i>Elaeocarpus grandis</i>	Blue Quandong	<i>Ficus superba var. henneana</i>	Deciduous Fig
<i>Davidsonia jerseyana</i>	E Davidson's Plum	<i>Elaeocarpus obovatus</i>	E Hard Quandong	<i>Ficus virens</i>	White Fig
